Dear Valued Customer,

You may have recently noticed our transition to the Health Mart trade name from U-Save. This letter will hopefully answer a few questions you may have.

- We have the **exact same** ownership, staff, suppliers, services and low pricing as we have had since the 90's.
- We are still part of the U-Save Pharmacy Group, which we use for purchasing power.
- Health Mart Pharmacy is a franchise we have been participating with for several years.
- Health Mart has national advertising we partner with and now we can be listed in the big insurance books. The idea is to keep our volume up and your prices reasonable.
- We can participate with even more insurance plans now. Sometimes insurance plans only allow large pharmacy groups in their networks, although we have always taken them all (even the really bad ones) to accommodate our customers.

You will see a fresh logo and new décor, but everything else will pretty much remain the same. Also, you will soon be able to keep up with us on a new website at: [www.OmahaHealthMart.com](http://www.OmahaHealthMart.com)

When you hear and see more "Health Mart Pharmacy" and less "U-Save Pharmacy", don't worry – nothing else is changing.

If you have any questions about our name or anything else regarding your pharmacy business, please feel free to give me a call on the owner's hotline at 670-0181. I will personally address your questions or concerns.

Thanks again for your business.
